TOWN OF BETHLEHEM, N. H. CERTIFICATE OF AUDIT

This is to certify that I have audited the accounts and records of the Town of Bethlehem and the Bethlehem Village District for the fiscal year ended December 31, 1950, and found them to be in good order.

In my opinion, the reports included herewith reflect the true financial condition of the Town and Precinct, together with the results of operations for the fiscal year ended December 31, 1950.

Respectfully submitted,

FRANK STELLER,
Auditor

Report of Board of Education

To the Citizens of Bethlehem:

The school board herewith submits its annual report. The report includes the treasurer's report for the fiscal year July 1, 1949 to June 30, 1950 with a statement of expenditures, budgets and estimated receipts for the present school year and for the next school year; written reports by the superintendent of schools and by the headmaster of the high school.

The budget for the coming year is of necessity higher than that of the present year. The increase, however, is slightly over 4%. The services responsible for the major portion of this increase are transportation, penny milk program, insurance and teachers' retirement.

We recommend that the school district appropriate the sum of \$47,777.00 for the support of schools for the year beginning July 1, 1951.

Respectfully submitted,

Mildred L. Bonardi, Chairman
Charles H. Brown, Vice Chairman
J. Elmer Harrington
Henry J. Cere

Superintendent's Report

To the School Board and Citizens of Bethlehem:

It is with pleasure that I submit my annual report relative to your schools.

This past year brought two changes in the teaching staff. Miss Estelle Boulay of West Swanzey, a graduate of Keene Teachers College, was elected to teach English, French and Social Studies. Miss Roberta Christie, a graduate of Plymouth Teachers College, was elected to teach grades one and two.

The enrollment for 1949-50 was 165 which is a decrease of 19 under the previous year. Registration figures of this year to date show that there will be a slight increase.

The report of the school nurse shows that 127 pupils were examined and the following defects found and reported to parents: Defective vision 7, defective heart 1, orthopedic 5, defective tonsils 7, defective teeth 48 and asthma 2. Since the last report the following numbers of pupils have received treatment: Vision 7, orthopedic 5, posture 1, teeth 52, tonsils 2 and asthma 2. Dental, vision, orthopedic and tonsil clinics were held during the year.

The penny milk program is being carried on throughout the entire year. A hot lunch consisting of one hot dish is served at cost during the winter months to supplement the lunch brought from home in the lunch box.

All Bethlehem teachers attended the one day Citizenship Conference that was held early in October by the State Department of Education. All teachers are members of the State Teachers Association and attended the convention of that organization held in Concord in October. Two teachers participated in the extension course in Art Education that was offered in Littleton by the State Department of Education with Dr. Alice Baumgarner as instructor.

This past year major repairs were done on the stoker, the auditorium was completely redecorated and new

stage curtain, cyclorama and window curtains were installed.

On July 1 of this year the last payment will be made on the school bonds. I would recommend that the district set aside a small amount of money each year in a capital reserve fund to cover the cost of renewing the roof on the school building. By following such a plan, it will not be necessary to ask for a large sum in any one year to do the job.

All departments in the school are adequately equipped and sufficient supplies are available. This year a new Rexograph duplicator was purchased for the use of the teachers, and a school model of the Monroe Calculator was obtained for the commercial department of the high school.

The international situation with the resulting state of emergency at home is causing us much concern. Prices on textbooks have risen over 10% and prices on supplies have risen from 30-50%. The teacher supply is beginning to reach the critical stage once more. The armed forces will take practically all of the young men who are graduating from our Teachers Colleges, and the supply of women is not sufficient to fill the vacancies that will occur.

In closing, I wish to express my sincere appreciation to the citizens of Bethlehem, the school board, teaching staff and other district officers for their cooperation throughout the year.

Respectfully submitted,

Leslie S. Cummings

Principal's Report

To the Superintendent of Schools:

It is with pleasure that I submit to you my annual report as the Principal of Bethlehem High School.

The B. H. S. Comet is being published periodically with the assistance of Miss Estelle Boulay who was very successful in coaching the senior play which was produced last fall.

Mr. Henry Wilcox is continuing with his coaching duties in girls' basketball and softball and doing a good job.

A liquid duplicating machine has been received and is being used by all teachers in their work. A Monroe adding-calculator was purchased for use in the office-practice class.

Three of the graduates of the class of 1950 are attending post-secondary schools and the rest are gainfully employed in surrounding communities.

The present senior class has been working conscientiously in all their activities to raise funds for the class trip to New York and Washington, D. C. I fully realize and appreciate the time and effort put forth by the parents and friends of this class.

With the sources available and those that can be obtained through loan from the State Library, an effort is being made to provide vocational information to all students. Students are encouraged to find out about jobs that interest them.

A Christmas Pageant was presented during the holiday season and a Minstrel Show is being planned for production in March.

In closing, I wish to express my appreciation to the school board, the members of the faculty, the pupils and the citizens of Bethlehem for their keen interest in their school.

Respectfully submitted,

Samuel Finkle
